EXECUTIVE SUMMARY

AUDIT EXAMINATION OF THE OLDHAM COUNTY FISCAL COURT

Fiscal Year Ended June 30, 2001

The Auditor of Public Accounts has completed the Oldham County Fiscal Court audit for fiscal year ended June 30, 2001. We have issued an unqualified opinion on the financial statements taken as a whole. Based upon the audit work performed, the financial statements are presented fairly in all material respects.

Financial Condition:

Fund balances decreased by \$1,116,330 from the prior fiscal year, resulting in a cash surplus of \$6,764,524 as of June 30, 2001. Revenues increased by \$709,467 from the prior year and disbursements increased by \$2,855,081.

Debt Obligations:

Total bonded debt principal as of June 30, 2001, was \$4,675,000. Future collections of \$6,852,161 are needed over the next 16 years to pay all bonded debt principal and interest.

Capital lease principal agreements totaled \$945,000 as of June 30, 2001. Future principal and interest payments of \$1,233,988 are needed to meet these obligations.

Deposits:

The fiscal court's deposits were insured and collateralized by bank securities or bonds.

Independent Auditor's Report

We have audited the accompanying statement of assets, liabilities, and fund balances arising from cash transactions of Oldham County, Kentucky, as of June 30, 2001, and the related statement of cash receipts, cash disbursements, and changes in cash balances for the year then ended. These financial statements are the responsibility of the Oldham County Fiscal Court. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the Audit Guide for Fiscal Court Audits issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Oldham County, Kentucky, prepares its financial statements on a prescribed basis of accounting that demonstrates compliance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis of accounting, assets, liabilities, and related revenues and expenditures are recorded when they result from cash transactions, with a few exceptions. This modified cash basis recognizes revenues when received, except for the recording of long-term receivables and deferred revenue. Expenditures are recognized when paid, except for the recording of long-term obligations and amounts to be provided in future years. The modified cash basis accounting system does not require an entity to maintain a general fixed asset group or a general long-term debt group of accounts. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and fund balances arising primarily from cash transactions as of June 30, 2001 of Oldham County, Kentucky, and the revenues received and expenditures paid for the year then ended, in conformity with the modified cash basis of accounting described above.

To the People of Kentucky
Honorable Paul E. Patton, Governor
T. Kevin Flanery, Secretary
Finance and Administration Cabinet
Dana Mayton, Secretary, Revenue Cabinet
Honorable John W. Black, Oldham County Judge/Executive
Members of the Oldham County Fiscal Court

In accordance with Government Auditing Standards, we have also issued our report dated November 30, 2001 on our consideration of Oldham County, Kentucky's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of Oldham County, Kentucky. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments and Non-Profit Organizations, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Ed Hatchett", with a stylized flourish at the end.

OLDHAM COUNTY
NOTES TO FINANCIAL STATEMENTS

June 30, 2001

Note 1. Summary of Significant Accounting Policies

A. Reporting Entity

The financial statements of Oldham County include the funds, agencies, boards, and entities for which the fiscal court is financially accountable. Financial accountability, as defined by Section 2100 of the GASB Codification of Governmental Accounting and Financial Reporting Standards, as amended by GASB 14, was determined on the basis of the government's ability to significantly influence operations, select the governing authority, participate in fiscal management and the scope of public service. Based upon the application of the criteria stated in GASB 14, management has included the Oldham County Public Facilities Construction Corporation as part of the reporting entity.

Additional - Oldham County Constitutional Elected Officials

- Circuit Court Clerk
- County Attorney
- County Clerk
- County Sheriff
- Property Valuation Administrator

The Kentucky constitution provides for election of the above officials from the geographic area constituting Oldham County. Pursuant to state statute, these officials perform various services for the Commonwealth of Kentucky, its judicial courts, the fiscal court, various cities and special districts within the county, and the board of education. In exercising these responsibilities, however, they are required to comply with state laws. Audits of their financial statements are issued separately and individually and can be obtained from their respective administrative offices.

B. Fund Accounting

Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. The government uses funds to report on its financial position and the results of its operations. A fund is a separate accounting entity with a self-balancing set of accounts. Oldham County Fiscal Court's Fund Types, a definition of each, and county funds included within each fund type are listed below.

1) General Fund Type

General Fund Type accounts for all financial resources except those required to be accounted for in another fund type. The Oldham County General Fund Type includes the following county funds: General Fund, Road and Bridge Fund, Jail Fund, Local Government Economic Assistance Fund (LGEA), Central Dispatch Fund, and the Local Emergency Planning Committee Fund.

OLDHAM COUNTY
NOTES TO FINANCIAL STATEMENTS
June 30, 2001
(Continued)

Note 1. Summary of Significant Accounting Policies (Continued)

B. Fund Accounting (Continued)

2) Debt Service Fund Type

Debt Service Fund Type accounts for the accumulation of resources for the payment of general long-term debt principal and interest and include funds for the Public Facilities Construction Corporation Fund. Debt service is provided through annual transfers from the General Fund Type in the amount of the debt service requirements for the year.

4) Capital Projects Fund Type

Capital Project Funds Type accounts for financial resources to be used for acquisition of major capital facilities. The Buckner Sewer System Fund and the Senior Building Fund of the Fiscal Court are reported as Capital Projects Fund Types.

C. Basis of Accounting

For all fund types, the county utilizes a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis of accounting, assets, liabilities, and related revenues and expenditures are recorded when they result from cash transactions, with a few exceptions. This modified cash basis recognizes revenues when received, except for the recording of long-term receivables and deferred revenue. Expenditures are recognized when paid, except for the recording of long-term obligations and amounts to be provided in future years.

D. Legal Compliance - Budget

The Oldham County budget is adopted on a cash basis of accounting and laws of Kentucky as required by the State Local Finance Officer. The County Judge/Executive is required to submit estimated receipts and proposed expenditures to the fiscal court by May 1 of each year. The budget is prepared by fund, function, and activity and is required to be adopted by the fiscal court by July 1.

The fiscal court may change the original budget by transferring appropriations at the activity level; however, the fiscal court may not increase the total budget without approval by the State Local Finance Officer. Expenditures may not exceed budgeted appropriations at the activity level.

Formal budgets are not adopted for the Public Facilities Construction Corporation Fund because bond indentures and other relevant contractual provisions require specific payments to and from this fund annually and transfers are budgeted in the General Fund Type to comply with these requirements. The Department for Local Government does not require this fund to be budgeted.

Note 1. Summary of Significant Accounting Policies (Continued)

E. Cash and Investments

Cash includes amounts in bank accounts, and investments are stated at cost. Investments may include certificates of deposit on the financial statements; however, for the purpose of disclosing credit risk (Note 3), investments exclude certificates of deposit.

KRS 66.480 authorizes the county to invest in the following, including but not limited to, obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

F. Related Organizations

A related organization is an entity for which a primary government is not financially accountable. It does not impose will or have a financial benefit or burden relationship, even if the primary government appoints a voting majority of the related organization's governing board. Based on these criteria, the Oldham County Ambulance Service and the Oldham County Public Library are considered related organizations of Oldham County Fiscal Court.

Note 2. Employee Retirement System

The county has elected to participate in the County Employees Retirement System (CERS), pursuant to KRS 78.530 administered by the Board of Trustees of the Kentucky Retirement Systems. This is a multiple-employer public retirement system which covers all eligible full-time employees. Benefit contributions and provisions are established by statute. Nonhazardous covered employees are required to contribute 5 percent of their salary to the plan. The county's contribution rate for nonhazardous employees was 7.17 percent. Hazardous covered employees are required to contribute 7 percent of their salary to the plan. The county's contribution rate for hazardous employees was 16.78 percent.

Benefits fully vest on reaching five years of service for nonhazardous employees. Aspects of benefits for nonhazardous employees include retirement after 27 years of service or age 65. Aspects of benefits for hazardous employees include retirement after 20 years of service or age 55.

Historical trend information showing the CERS' progress in accumulating sufficient assets to pay benefits when due is present in the Kentucky Retirement Systems' annual financial report.

Note 3. Deposits and Investments

A. Deposits

The county maintained deposits of public funds with depository institutions insured by the Federal Deposit Insurance Corporation (FDIC). According to KRS 66.480(1)(d) and KRS 41.240(4), the depository institution should pledge or provide sufficient collateral which, together with FDIC insurance, equals or exceeds the amount of public funds on deposit at all times. In order to be valid against the FDIC in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the county and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution. These requirements were met, and as of June 30, 2001, the county's deposits were fully insured or collateralized at a 100% level with collateral of either pledged securities held by the county's agent in the county's name, or provided surety bond which named the county as beneficiary/obligee on the bond.

Note 4. Capital Lease Agreements

On June 8, 1992, the fiscal court entered into an agreement with the Kentucky Association of Counties Leasing Trust Program in the amount of \$1,381,000 at 5.49 percent for work on the Oldham County Fiscal Court Building. The county will pay 240 monthly lease payments of varying amounts in accordance with a schedule to complete the contract. Principal payment requirements and scheduled interest for the remaining term of the agreement are as follows:

Note 6. Oldham County Police Forfeiture Account

The Oldham County Police have a forfeiture account, which also receives donations. This money is used to purchase equipment and other law enforcement items. The forfeiture account had receipts of \$15,837, expenditures of \$11,218 and an ending balance of \$17,093 as of June 30, 2001.

Note 7. Jail Canteen Fund

The canteen operations are authorized pursuant to KRS 441.135(1), which allows the jailer to sell snacks, sodas, and other items to inmates. The profits generated from the sale of those items are to be used for the benefit or recreation of the inmates. KRS 441.135(2) requires the jailer to maintain accounting records and report annually to the county treasurer the receipts and disbursements of the Jail Canteen. Technical Audit Bulletin 93-002 provides additional accounting and expenditure guidance for acceptable jail canteen operations.

The Oldham County Jail Canteen Fund had receipts of \$92,531, expenditures of \$89,903, leaving a net increase of \$2,628 and an ending balance of \$21,470 as of June 30, 2001. All profit expenditures were for the benefit and/or recreation of the inmates.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER
FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Report On Compliance And On Internal Control
Over Financial Reporting Based On An Audit Of Financial
Statements Performed In Accordance With Government Auditing Standards

We have audited the financial statements of Oldham County, Kentucky, as of and for the year ended June 30, 2001, and have issued our report thereon dated November 30, 2001. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Oldham County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Oldham County's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL
CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

EDWARD B. HATCHETT, JR.
AUDITOR OF PUBLIC ACCOUNTS

To the People of Kentucky

Honorable Paul E. Patton, Governor

Finance and Administration Cabinet

Dana Mayton, Secretary, Revenue Cabinet

Honorable John W. Black, Oldham County Judge/Executive

Members of the Oldham County Fiscal Court

Report On Compliance With Requirements
Applicable To Each Major Program And On Internal
Control Over Compliance In Accordance With OMB Circular A-133

Compliance

We have audited the compliance of Oldham County, Kentucky, with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2001. Oldham County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Oldham County's management. Our responsibility is to express an opinion on Oldham County's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Oldham County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Oldham County's compliance with those requirements.

In our opinion, Oldham County complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2001.

Internal Control Over Compliance

The management of Oldham County is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered Oldham County's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts, and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of management, federal awarding agencies, and pass-through entities, and is not intended to be, and should not be, used by anyone other than the specified parties.
